or in the employment application may be grounds for discharge. Employee hereby represents that he/she has made written disclosure to the District of any conviction for a felony or an offense involving moral turpitude.

7. Employee shall satisfactorily submit or account for all grades, reports, school equipment, or other required items at the end of the contract term. Employee agrees that the last salary payment under this contract is conditioned upon receipt from Employee of all such items.
8. In accordance with Texas Education Code, Chapter 21, Subchapters C and F, the Board may terminate this contract and discharge Employee or suspend Employee without pay during the term of this contract for good cause as determined by the Board. Good cause is defined as the failure to meet the accepted standards of conduct for the profession as generally recognized and applied in similarly situated school districts in this state. A suspension without pay may not extend beyond the end of the school year.
9. A determination by the Board that a financial exigency or program change requires that the contracts of employees be terminated during the contract term constitutes good cause for discharge. Financial exigency, as used herein, means any event or occurrence that creates a need for the district to reduce financial expenditures for personnel including, but not limited to, a decline in the Board's financial resources, a decline in enrollment, a cut in funding, a decline in tax revenues, or an unanticipated expense or capital need. Program change, as used herein, means any elimination, curtailment, or reorganization of a curriculum offering, program, or school operation. Program change includes, but is not limited to, a change in curriculum objectives, a modification or reorganization of staffing patterns on a particular campus or district-wide, a redirection of financial resources to meet the educational needs of the students, a lack of student response to a particular course offering, legislative revisions to programs, or a reorganization or consolidation of two or more individual schools or school districts.
10. Employment in federally or categorically funded positions is expressly conditioned upon the availability of full funding for the position.
11. The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure nor any other contractual obligation or other expectancy of continued employment or claim of entitlement is created beyond the contract term.
12. The Board may terminate the employment of Employee in accordance with state law and board policy at the end of the contract term set forth herein if, in the judgment of the Board, the best interests of the District will be served by terminating the employment. The Board's decision to terminate the employment of Employee at the end of the contract term shall be final and may not be appealed.

13. Employee shall serve a probationary period as provided in Texas Education Code, Chapter 21, Subchapter C, for a maximum of three school years of continuous employment in the District unless, during the third year of Employee's probationary contract, the Board determines it is doubtful whether Employee should be given a continuing or term contract. In that event, Employee shall serve a fourth probationary year. However, the probationary period shall be a maximum of one year for an Employee who has been employed as a full-time professional, certified employee, or nurse in public education for at least five of the eight years prior to initial employment in the District.
14. Employee may be released from this contract only in accordance with Texas Education Code 21.105 or with District approval, pursuant to local policy. Upon such release, the Board shall continue to make regular payroll disbursements to Employee until any due and owing salary amount is fully paid.
15. This contract is subject to all applicable federal and state laws, rules, and regulations. Invalidity of any portion of this contract under the laws of the State of Texas or of the United States shall not affect the validity of the remainder of the contract.
16. This contract combines and supersedes all prior agreements and representations concerning employment. No amendments to this contract shall be binding unless reduced to writing and signed by both parties.
17. This offer of employment for the 2006-2007 school year shall expire unless this contract is signed and returned to the Superintendent on or before _____. Failure to return the signed contract by this date shall constitute a rejection of the employment offer and current employment, if any, shall terminate at the end of the existing contract term.
