<sup>&#</sup>x27;?' Indicates that the data for this item were statistically improbable, or were reported outside a reasonable range.

#### Part II: Student Achievement and State Academic Annual Measureable Objectives (AMOs)

This section provides the STAAR performance results for each subject area tested in the 2014-15 school year. These results only include tested students who were in the accountability subset. This section also includes four-year and five-year graduation rates and participation rates on STAAR for reading and mathematics.

<sup>&#</sup>x27;\*' Indicates results are masked due to small numbers to protect student confidentiality.

<sup>&#</sup>x27;-' Indicates zero observations reported for this group.

<sup>&#</sup>x27;n/a' Indicates data reporting is not applicable for this group.

already identified as priority schools, that have the widest gaps between student group performance and safeguard targets. Campuses are ranked based on the largest gaps between student group reading/math performance and the annual measurable objectives (AMO) target of 75%.

Results available at campus level only.

A high-performance reward school is identified as a Title I school with distinctions based on reading and math performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. A high progress school is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

Results available at campus level only.
