Call in public comments may be submitted by phone at (936) 598-1627. Callers will receive the following prompt followed by the option to record their comment:

"You have reached the Center ISD Public Comment for Board Meetings hotline. The purpose of this hotline is to provide an avenue for community participation in school board meetings that are held online during the current district closure. Questions and comments left here will be provided at the next school board meeting and be addressed during the public comments section of the meeting. Please record your question or comment at the end of this message. Thank you."
