

'Tis the Season for Matching Scholarship Opportunities.

Fifth through ninth graders who are enrolled in the Texas Tuition Promise Fund® and whose families have an annual income of \$100,000 or less may **apply now through Dec. 31, 2018**, for Match the Promise scholarships.*

The Texas Match the Promise FoundationSM encourages families to save for college by supplementing their contributions to the Texas Tuition Promise Fund — the state's prepaid college tuition plan. Information about establishing a Promise Fund account can be found on our website.

Approved recipients can receive matching scholarships of tuition units worth up to \$1,000 at today's prices, and top-scoring recipients can also receive a one-time grant of tuition units worth \$2,000 at today's prices. These scholarship tuition units can be used at Texas public colleges and universities.

Find application materials and more information online at **MatchThePromise.org**.

**Residency restrictions, eligibility criteria and minimum contribution requirements apply.*
