Dear Parent(s)/Guardian,

This is a reminder that participation in the Graduation Ceremony is a privilege and not a right. Students have earned a right to participate in Graduation by earning 28 credits and meeting compulsory attendance regulations. However, this right will be denied if a student breaches the code of conduct or vandalize the school or school properties. As mentioned before in a previous letter we want to honor these seniors with the most dignified program. Reminder...graduation practice will be on May 26<sup>th</sup> at 9:00am. Students are to report to the gymnasium at 9:00am. (No practice/No participation)

Sincerely,

Otis Amy

Center High School, Principal
