Dear Parent/Guardian:

Center ISD received confirmation of an individual (s) testing positive for COVID-19.

Number of Individual (s)	Campus/Event	Last On Campus/Event
One (1)	FLM Campus	Wednesday, August 24, 2022
One (1)	CES Campus	Wednesday, August 24, 2022
Two (2)	CMS Campus	Wednesday, August 24, 2022
One (1)	RRA Campus	Wednesday, August 24, 2022

CISD is required by law to inform staff and students when an individual who tests positive has been on campus within two days of developing symptoms or two days prior to testing positive, if asymptomatic.

Please be assured CISD is taking swift and immediate action to limit the spread by following direction from our local health department. The District is following all guidelines from our local health department, the Governor's office, TEA, and the CDC.

Please rest assured we have the absolute best interest of students, staff, and the community at heart. We will respond to every report of a positive COVID-19 case by reporting the case to the local health department and follow their direction. The District is continuing to monitor this ever-changing situation very closely and doing everything in our power to limit the spread of COVID-19 here at school.

You are CRITICAL in helping us protect each other from COVID-19. Please continue to self-screen yourself and your students every day and report any symptoms to your family doctor, your supervisor or the campus nurse.

Symptoms Include	
Cough	Sore throat
Chills/shaking/or exaggerated shivering	New onset loss of taste or smell
Significant muscle pain or aches	Unusual fatigue
Severe headache	Congestion or runny nose
Shortness of breath/difficulty breathing	Nausea, vomiting, or diarrhea
Feeling feverish or measured temperature greater than 100.0 degrees Fahrenheit	

If you are sick, please stay home. Thank you so much for your assistance. Together we will get through this trying time.

Sincerely,

Dr. Brian Morris
Superintendent
