## 1.0 CALL MEETING TO ORDER

Jennifer Jones called the meeting to order at 8:33 a.m.

## 2.0 MINUTES

Members of the SHAC had an opportunity to review the minutes prior to the meeting. There were no changes made. Minutes approved.

## 3.0 OLD BUSINESS

### 3.1 Share Cart Concept

The last share cart was completed in May 2022.

### 3.2 Suicide Prevention/Mental Health Awareness

Lindsay Montario indicated that SHAC members had discussed suicide prevention and mental health awareness and wanted to bring attention to these issues. The District is in the process of developing suicide protocols and will present them shortly.

## School Health Advisory Council

---

3.3 *Sex Education Curriculum – Goodheart Wilcox for Secondary and Quaver Curriculum for Elementary*

It was reported to the members of SHAC from Amber Mathews (via text) that the curriculum has been purchased and is being implemented in the classroom.

3.4 *Local Policy FFAF – Wellness and Health Services – Care Plans*

The topic of Local Policy FFAF – Wellness and Health Services – Care Plans was tabled at this meeting due to Tina Byrnes' absence at this meeting.

3.5 *District Safety Teams and CPR Training for Bus Drivers and SpEd Bus Monitors*

Amanda Kirby will provide Lindsay Montario with the list of names for each campus for their District Safety Team. Lindsay Montario indicated that Stop the Bleed only needs to be taught once, unless the employee feels a need for a refresher course. Joyce Permenter will provide Lindsay Montario with a list of employees that are CPR trained.

3.6 *Goodside Health*

Lindsay Montario announced that Center ISD is working with Goodside Health for students and staff. It is a telehealth service for things like pink eye, strep or flu swabs, etc. It is provided to keep students and staff at school more than, if they would have to leave school for an appointment and then go and get medications. The program is working well.

#### 4.0. NEW BUSINESS

4.1 *Presentation of Services Available from Child Advocacy Center*

Denise Merriman and Anna Register from the Shelby County Child Advocacy Center provided information regarding the services that are available to the District and how there are here to help.

4.2 *Presentation of Programs and Services Available from Texas Department of State Health Services*

a Marlene Brown from the Texas Department of State Health Services, Region 4/5, provided great deal of information regarding the number of services that the District could utilize for our students.

4.3 *Menu Advisory Committee*

Members of the SHAC Committee were provided with information regarding a Menu Advisory Committee that will be included in all SHAC meetings going forward. The Committee will discuss menu choices, food and the satisfaction among the students regarding the food/menu. The Committee can discuss concerns, or compliment or provide suggestions.
